

# Take healthcare into your own hands.

Call A Doctor Plus is a low-cost, easy to use alternative to traditional healthcare. Take back control of your healthcare experience today.

## **24/7 access in minutes**

The quality care you need is now available to you on your schedule... anytime, anywhere.

## **No copays or deductibles**

There are no fees or per-call charges to use our program. It's all included in your membership!

## **Connect by phone, video or app**

No more waiting rooms or scheduling appointments, connect easily with the devices you use most.

## **Save time and money**

When quality care is just a call or click away, it takes a lot less time and money to get the help you need!

## **Covers your entire family**

Rest easy knowing that you and your whole family now have access to quality, affordable healthcare.
